## STEAM-Powered

June 17-21, 2019

9:30AM-3:00PM Monday-Thursday, 9:30-12:00 Friday

Department of Mathematics  
Weber Building, CSU campus

**Target Audience:** Students entering 8<sup>th</sup> or 9<sup>th</sup> grade

Join us for a week of mathematical exploration and discovery led by CSU mathematicians! This year, we will learn how mathematics plays a role in science, technology, engineering, and art. Most days will feature two in-depth and interactive sessions, but there will also be a campus-wide scavenger hunt and more! Lunch is provided Monday-Thursday. Parents are invited to attend both the brief welcome event at 9:30 AM Monday along with a slideshow and closing event at 11:30AM on Friday. Math Circles will end at noon on Friday.

**Registration:** Limited to first 25 girls and 25 boys who register. A registration fee of \$60 is due by May 31<sup>st</sup>, but if you register by MAY 1<sup>st</sup> you will receive an early-bird discount. Snacks and lunches are included in this cost. **Algebra I background or higher required.** Need-based scholarships are also available. Please visit <https://mathematics.colostate.edu/outreach-events/math-circles/> for registration information. Contact Emily Heavner ( [eheavner@colostate.edu](mailto:eheavner@colostate.edu)) if you have questions.
